Waccamaw Middle 02/16/09-2201028

Report of Principal and School Improvement Council

Waccamaw Middle School continued its guest to provide students with outstanding educational opportunities during the 2007-2008 school year. Through the use of common assessments, common planning, double-blocks of English Language Arts and Mathematics, and non-fiction writing, students were engaged at high levels and provided with research based instructional strategies to ensure their success. For the sixth consecutive year, Waccamaw Middle School's total percentage of students scoring at or above basic in Mathematics and English Language Arts on the Palmetto Achievement Challenge Test (PACT) exceeded the district and state averages. During the 2007-2008 school year. Waccamaw Middle School continued with steps to become authorized as an International Baccalaureate School to provide the Middle Years Programme.

Over 50 of our students participated in various athletic teams during the school year and our band and chorus won superior ratings at both regional and state competitions. Furthermore, our art students took the top three places at our district art show and enrollment in these programs has never been higher. Waccamaw Middle School students also won many district, regional, and state awards, including a four student team winning first place in the prestigious South Carolina Stock Market Competition. Our students also won regional VFW and Georgetown Soil and Water Conservation Writing Awards and won awards for the Georgetown Christmas Card Contest and Winyah Bay Heritage Festival Art Contest.

Students and teachers participated in Beach Sweep 2007, and cleaned various beach areas along the Waccamaw Neck. Furthermore, Waccamaw Middle School also sponsored a Relay for Life Team, sent Volunteers to Special Olympics, donated funds for the March of Dimes, and held several canned food drives throughout the year. Local businesses, parents, and community members continue to support WMS through involvement with our School Improvement Council, PTSA, and Business Partnership Program. As we move into the 2008-2009 school year, we look forward to continued success and growth as we implement new and exciting initiatives to help better meet the needs of our ever changing and diverse student population.
